Kurzbeschreibung

Amos Decker is a former professional football player whose career was ended by a terrible hit. Now a police detective, Amos is still haunted by a side effect from the accident he can never forget. One night Decker comes home from a stakeout to find his wife, young daughter and brother-in-law horrifically murdered. Obviously scarred and nearly broken, Decker has to use his skills as a detective and his unusual brain capacity to try and catch the monster who killed his family. Pressestimmen

"Robie and Reel are complex characters, and anything they do is a pleasure to follow...Baldacci knows how to get readers to turn the pages, and he's in top form here."*Associated Press on The Target*

"Brilliant use of language...vivid supporting characters and numerous sudden and unexpected plot twists...[Baldacci] doesn't let the action sag at any point...In [Chung-Cha], Mr. Baldacci has created one of his most memorable characters."*Pittsburgh Post-Gazette on The Target*

"Baldacci has been on a hot streak for the past few years, and *The Target* continues the trend. This isn't a garden-variety thriller or even a garden-variety Baldacci. It's among his most exhilarating books yet."*Richmond Times-Dispatch on The Target*

"Baldacci has crafted another terrific tale with two great protagonists. Just when the story line seems to veer into familiar areas, Baldacci steers it into another shocking direction. This is the best book yet in the series."*Associated Press on King and Maxwell*

"David Baldacci's latest thriller is not only highly relevant, it is also well timed. And the details seem so real that it's hard not to wonder if the author is an insider; the tone is that authentic. An absolute page-turner, *King and Maxwell* is Baldacci at the pinnacle of his game."*BookReporter.com*

"Its pace is relentless, and Baldacci's reworking of his perennial theme - absolute power corrupts absolutely - gives the book a sense of urgency and cultural relevance that many thrillers lack."*Richmond Times-Dispatch on The Hit*

"The best Baldacci novel in years...What makes *The Hit* live up to its title is the payoff at the novel's end. By then, Baldacci has planted an emotional hook that remains long after readers have turned the last page of the book."*Associated Press on The Hit*

"Another fast paced page turner that will keep you glued to the couch...by an author who continues to stand out in the increasingly crowded thriller field."*Examiner.com on The Forgotten*

"Baldacci is a master when it comes to writing about small-town conspiracies and a lone hero who fights against all odds to clean up corruption. The narrative moves slowly, so the reader has a chance to solve the case along with Puller. It might seem straightforward, but the final reveal will surprise even hardcore thriller junkies."*The Washington Post on The Forgotten* Werbetext

His family was murdered. The hunt for the killer begins.
